

# PRE-K newsletter

June Through August

## Daily Items

- Your child will need to be sun blocked BEFORE they arrive DAILY...
- Your child MUST arrive in their bathing suit with a cover up on daily...
- Your child will have sunblock reapplied after lunch daily...
- Your child MUST have a refillable water bottle, that is left at the center that is filled daily and kept cool...
- Your child MUST come with a change of clothing DAILY, and a BACK PACK
- Your Child MUST come with their own towel from home DAILY

## Daily Reminders

With the Summer being a time for water play and lots of activities, your child is expected to be prepared daily. They must have their bathing suits on daily and be sun blocked prior to arrival. They will also need their own towel daily.

The wet suits and towels will go home in their back packs, and the change of clothing you supply daily will be used for them to change into after their water play is over.

It is VERY important that the back packs go home DAILY, and never, EVER should wet items be left behind. The bags must go home and be swapped out with dry towels and clothing.
